

Village of Bellaire – DDA

Work Session – 10/3/22

Meet & Greet at Terrain Restaurant 5:30-7pm

Attending: Don Hoyt, Dan Bennett, Cindi Place, Shelly Dayton, Taylor Sutherland, Don Seman, Tracy Lareau

Absent: Doreen McGuire, Dave Gajda

This event was promoted as an opportunity for community members to meet members of the DDA, get an update on DDA projects, past, ongoing, and future plans. There was a cash bar available, and local restaurants (Corner Bistro, Shanty Creek, Hello Vino, and Terrain donated appetizers. There was no charge to attend this event.

Don Hoyt opened the event by introducing DA members in attendance. Each member spoke a little about themselves and some of the responsibilities they had personally as members of the DDA. Don also spoke about projects for which the DDA has provided some funding (the new public restrooms, downtown flowers), and ongoing work (working to provide broadband access downtown, support of the Buy Local group which comprise downtown business owners, placing temporary parking signs directing downtown visitors to parking areas available to the, including the county building on weekends and evenings and other parking lots in near downtown).

Don then encourage attendees to ask DDA members any questions they had about the DDA and their work.
