Craven Park Fields Banner Fundraiser!

The Village of Bellaire, in partnership with Bellaire Public Schools and Friends of Bellaire Athletics is working to construct 2 new regulation baseball and 2 new regulation softball fields at Craven Park. These will replace the existing 3 fields and will provide our youth, school, and community with adequate facilities for years to come! We are currently working to raise funds to support this project by offering our businesses an opportunity to display their name and logo on a banner that will be attached to the outfield fence on one of the main designated fields for baseball or softball. The 4' high by 8' long banners will be hung each spring prior to the beginning of the high school season, removed at the end of the summer, and stored throughout the winter.
